Pneumatic Tool Set (includes Standard Tool Set items plus air tube fitting tool)\$79/ea

Electric Trigger Switch

Up to 175 feet (*shallow sampling--simple hand carried battery pack—charge will last all day!*)

28 Volt Switch (Requires 28V battery and charger) for 1.3Ω actuator\$125

(1) 28V Milwaukee Lithium-Ion Battery and Charger.....\$195

Up to 600 feet (*shallow and mid-depth--simple hand carried battery pack—charge will last all day!*)

28/56 Volt Switch (Requires 2-28V batteries and charger) for 6.3Ω actuator\$175

(2) 28V Milwaukee Lithium-Ion Batteries and Charger.....\$335

Up to 2500 feet (*Good for all depths but requires external power*)

110 Volt A/C plug-in FWBR switch (Requires 110 A/C source or Inverter) for 16.5Ω actuator\$125

12V Auto Battery Inverter (1400w max-A/C out to FWBR switch, incl. batt. clips)\$145

Pelican Carry Case for Trigger switch, batteries and charger\$175

Pneumatic Trigger Activation

Pressure block with both Schrader (bicycle pump) valve and compressor-type quick-connect valve; tubing and ball valve for connection to downhole air line; pressure-relief valve;

and pressure gauge\$95

12v air pump (better for applications over 200 feet)\$65

Supplies and Replacement Parts

Spare Screw Driver Tool \$12.00/ea

Spare Nipper Tool..... \$22.00/ea
